

Reynard

Heavy Duty Wipes

Heavy Duty Wipes

Reynard's Heavy Duty Wipes come colour coded to reduce the risk of cross-contamination. The cloths which come in 4 colours are strong, large and highly absorbent.

Complies with Recommended International Colour Coding Scheme.

Cleaning

Hygienic, easy to use, convenient & efficient. Reynard Heavy Duty Wipes contain antibacterial properties which reduce germ growth.

Cost-effective

Reynard Heavy Duty wipes will clean most surfaces. The extra large cloth size of 53 x 30cm size means less wipes needed. Being disposable, they save on laundering costs.

Absorbency

These can be used for a variety of tasks. The fabric exhibits excellent absorbency and impressive wet strength. They dry quickly if required.

Ideal for use in:

- Healthcare Sector
- Hospitality
- Aged Care

Directions: Use the required number of wipes.
Dispose of used wipes properly; do not flush.

Product specifications and availability may vary according to country.
Always read the label and product information before use.

Supporting documentation: Full technical specifications are available upon request.
Bespoke solutions: Should your market require more or fewer wipes, lightly scented alternatives or even biodegradable wipes, for example. Let us know. We are more than happy to develop bespoke solutions.
