

Reynard

Incontinence Wipes

Incontinence Wipes

Reynard Health Supplies Incontinence Wipes provide all-in-one incontinence care.

Reynard Incontinence Wipes are perfect for fast, effective and gentle cleansing, deodorising and moisturising. The pre-moistened wipes leave the skin feeling soft, fresh and smooth and replace the need for cloths, water, moisturiser and separate barrier cream.

Convenience

All in one product. No need for a separate moisturisers, barrier creams or soaps.

Fast and effective

Presented in a resealable pack to prevent drying out. They are a convenient, rinse free wipe that can be used anywhere.

Anti-microbial promotes infection control.

Cost-effective

Reynard's Incontinence Wipes are an all in one product removing the need for extra creams and soaps. Cleans, rinses and moisturises in one step.

Saves time and money on laundering.

Ideal for use in:

- Hospitals—Wards
- Aged Care
- Private Hospitals
- Pharmacy
- Personal use

Directions: Use the required number of wipes. Dispose of used wipes properly; do not flush.

Product specifications and availability may vary according to country. Always read the label and product information before use.

Supporting documentation: Full technical specifications are available upon request.
Bespoke solutions: Should your market require more or fewer wipes, lightly scented alternatives or even biodegradable wipes, for example. Let us know. We are more than happy to develop bespoke solutions.

Incontinence Wipes

Reynard Incontinence Wipes are dermatologically tested and approved. They are strong and soft and perfect for use in aged care or hospitals.

RHS 103 Incontinence Wipes

Technical specifications

- 33 x 22cm wipe size
- 25 wipes per pack
12 packs per carton

- **Cleanse**—mild surfactants will remove soiling without the drying effects of soap and water.
- **Moisturise**—urine and faeces can damage the skin, causing discomfort. Incontinence wipes contain a moisturiser that will leave the skin feeling fresh and smooth.
- **Deodorise**—help neutralise odours on the skin to leave it feeling revitalised and fresh.
- **Barrier Protection**—a moisture barrier protects the skin from unwanted moisture including urine, protecting the skin integrity and keeping it free from irritation and discomfort.
- **Anti-microbial**—Removes bacteria from the skin that can cause infection, odours and skin damage.

The recommendations regarding our preparations are based on scientific tests and are given in good faith. More detailed recommendations, e.g. Regarding material compatibility are only possible in particular cases. Our recommendations are without obligation and do not constitute a warranty. They do not preclude the company's own testing for the intended purposes and processes. In this respect we cannot accept any liability.

This complies with our general conditions of sale and supply.
