

We encounter a huge demand for these products by parents once they have left the hospital after the birth of their baby.

BABY

RHS 301 Supersoft Patient Wipes

The softest dry wipe in our range, they are extra thick, extra absorbent & extremely strong, particularly when wet. Chemical and fragrance free makes them safe for newborns and babies

- Use wet or dry to cleanse baby
- Avoids the use of chemical wet wipes
- Super strong

Reynard Health Supplies would like to introduce you to a range of products specially designed for maternity and birthing.

These products are used widely within the maternity sector, predominately throughout the DHB's.

ABOUT US:

Reynard Health Supplies is a leader in manufacturing both dry and pre-moistened wipes for the health and hospitality sectors. Price awareness and competitiveness enables us to maintain a position as a successful wipe producer.
